

100% oil-free compressed air in its purest form

Add-on Kit Membrane Dryer

You need an oil-free SCROLL Compressor with a low dew point? With the optional add-on kit membrane dryer for the models SL(D)K-S and SL(D)K-I, consisting of membrane dryer and air filter, we can offer you the perfect solution.

Add-on Kit
Membrane Dryer

Advantages of the membrane dryer:

- ✓ dew point of up to minus 20°C
- ✓ compact design
- ✓ minor need of purge air
- ✓ no power consumption
- ✓ no need for condensate drain
- ✓ maintenance-free (no consumables)

Add-on kit Membrane Dryer for SL(D)K-S / SLKD-I

Model	Compressed air outlet BSP	Weight kg	Part no.
SL(D)K-S / SL(D)K-I 2,2 kW	G ½	2,8	17368
SL(D)K-S / SL(D)K-I 3,7 kW	G ½	2,8	17368
SL(D)K-S / SL(D)K-I 4,5 kW	G ½	2,8	17368
SL(D)K-S / SL(D)K-I 5,5 kW	G ½	3,1	17369
SL(D)K-S / SL(D)K-I 7,5 kW	G ½	3,3	17370

The installation of a high efficient membrane dryer reduces the airflow depending on the type of the membrane from 8 – 15%.
